Kob Kun Ka (Thank you).

Thank you to Hot Thai Kitchen fans around the world, who fuel all of my work, and a special thanks to my Patreon supporters, whose generosity cannot be overstated.

Craig, thank you for holding the fort while I took extra time; your sacrifices helped make this book possible. Adam, thank you for your never-ending dedication to our fans and our work. T.J., your beautiful pottery made my food shine once again. Janis and Lawren, it was a blast; thank you for helping me make these dishes come to life. Robert and Zoe, thank you for your belief in me once again.

To my family, Mom, Dad, P'Art, and P'Erd, thank you for always making me feel supported and loved.

To Grandma, I owe it to you for teaching me that love can be shown through food.
